EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Bill Naifeh on June 9, 2005.

The application has been amended as follows:

In claim 11, line 1, delete "to be used".

In claim 12, line 1, after "product", add --embodied on a computer readable medium--, and

In line 2, after, "for", add --automatic speech recognition--.

Comment:

The amendments were made to obviate a 101 rejection based on the claims being drawn to a computer program and a mathematical algorithm, per se.
